### CONGRATULATIONS, LUCAS

"Terrific!" is the only comment to describe the one-man show put on by E. J. "Luke" Lucas, Dorsey Trailers General Sales Manager, at the membership meeting of the Elba Chamber of Commerce last week.

Lucas proved he is master of the art of saying the right thing at the right time in the right way. He lifted the membership with inspiring ideas that showed how to sell Elba, how to hold old friends and develop new ones.

His talk was dynamic, spontaneous, sparkling and spicy—seasoned with down-to-earth facts that sent enthusiasm roaring skyward.

**THE CHURCH FOR ALL**

ALL FOR THE CHURCH  
 The Church is the greatest factor on earth for the building of character and good citizenship. It is a nucleus of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church: They are (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

**THE INVITATION**

Everyone recognizes the great Lady standing in New York harbor holding her flaming torch. She welcomes the tired, the poor, the homeless, to this land of freedom. She symbolizes hope.

Back of the Lady, back of the welcome, stands the Church. The words on the statue do not mention the Church, and many of us do not realize the role it plays, but the Church inspired the principles on which our nation was built. It is the spirit of Christianity which extends the welcome to our shores and makes our nation a haven.

On the anniversary of our independence, we are proud of our freedom and opportunity and hope.

No statue with flaming torch stands at the door of the Church. But the Church is the real guardian of our heritage.

Strengthen your nation and yourself. Join the Church.

Get the Clipper Reading Habit

James Thompson, 1700-1748, said:

"IT WILL ALWAYS DO TO CHANGE FOR THE BETTER"

The pharmacist ical manufacturers are engaged in a continuous search to find better drugs. No matter how good any medicine works, they are always trying to create a newer one that will be still more effective.

Each year we destroy medicines which have been replaced by others. They have become worthless. When you consider the research cost of producing new drugs and losses from obsolete ones, it is amazing the average cost of all prescriptions is only about \$3.00.

FRANK A. WING, MADE POSSIBLE BY HIS POOL-POOF BREACH LOCK, THE "SODA BOTTLE" BECAME THE FIRST MAJOR WEAPON CHANGE IN NAVAL GUNNERY IN SEVERAL HUNDRED YEARS. THE FORERUNNER OF TODAY'S MODERN GUNS.

From Our Early Files

22 YEARS AGO

Mrs. Kathleen T. Ellis, Miss Bernice Payne and Miss Elizabeth Tiedie, representing the Coffee County Department of Public Welfare, were in Huntsville the first of the week attending the annual conference of Alabama Welfare Workers.

Officers Trip

We had a delightful trip to the beach at Panama City with six 4-H Club boys from the Zion Chapel Club and six girls from the Curtis 4-H club. The boys and girls enjoyed a 1 h e swimming and also the noon day cook out which was conducted by Mrs. Jean Wakeli and Mrs. Sara Hutchinson the Home Agents. Those attending were: Joe Frank Austin, Donald Ammont, Marion Fuller, Frankie Wilks, Jimmy Owens, Rex Benton, Judy Wilson, Barbara Foley, Corinne Cowin, Catherine Hudson, Pansy McCord, Christine Brooks and Alice Wilson.

The boys and girls were awarded the trip for having done real top quality work as officers in their clubs this past year.

Fish and Wildlife

Two boys in Coffee County have been selected to attend the Eighth Annual 4-H Club Fish and Wildlife Camp which is to be held at Camp Tukabatchee about 20 miles North of Montgomery in July. The two boys selected are Curtis Donaldson from Curtis Club and Donnan Bryan from the Pine Level Club. The boys are the sons of the M. W. Donaldsons and the Johnnie B. Bryans.

I understand that County agent, J. R. Speed will attend the camp to assist with the program. After these boys return, we will have some real experts on fishing, on wildlife, on fire-arm and boating safety, poisonous snakes and several other subjects which will be covered while at camp.

State Shortcourse

Ten 4-H Coffee County boys and girls will attend the State 4-H Conference and short-course at Auburn July 11-15. The camp is held each year to give leadership training to outstanding club members in each county. Approximately 600 boys and girls representing every county in the state will meet in Auburn for a week's training. Being awarded this trip is one of the highlights of a 4-H club member's career. We certainly have some outstanding boys representing Coffee County, and they are Donnie Hardy, of Zion Chapel; Carroll Wyatt, of Fairview; Louis Jones, of Mt. Pleasant; Jerry Griffin of Curtis and Vann McCall from the Goodman club.

They will make their home in Elba.

Beautiful way to name the day!

For this most thrilling message of your life, only the finest paper, only completely correct styling, only exquisite craftsmanship will do—and that's what you'll see on each and every page of the new Flower Wedding Line catalogue by Registry.

# The Thrifty HOUSEWIFE KNOWS SHE PROFITS FROM ADVERTISING!

She Has Found From Experience that she fares Better When She Buys From Those Stores Which Advertise Regularly in Newspapers!

# The Wise MERCHANT KNOWS HE PROFITS FROM ADVERTISING!

No business has to advertise. An experienced ad man is the first to disagree with the oft-repeated statement that 'You have to advertise.' Because you don't. But the most successful merchants are those who advertise. Because they want to let their customers know about their latest values and they have no fear to let their competitors know the same as their customers.

There are definite rules how to use it and the first rule is to budget the advertising the same as to budget the rent, payroll, gas, lights and water. Regular advertising is the keynote. No longer is advertising for clearance sales only. Customers want to know about regular price line merchandise too.

And there must be some reason why there is more advertising done in newspapers than in any other media. In fact, there is as much advertising done in newspapers as in the next highest three media combined.

All advertising is good, some better than others!
